THE DORCHESTER TO LAUNCH PRIVATE CATERING AND HOME DELIVERY SERVICE

‘CURATED BY THE DORCHESTER’, A NEW PRIVATE EVENTS CATERING AND FLOWER ARRANGEMENT DELIVERY SERVICE, TO LAUNCH IN JANUARY 2025

London, January 6, 2025 – The Dorchester, renowned for its exceptional service and world-class events, proudly announces the expansion of its culinary offering, alongside a new floral delivery service. *Curated by The Dorchester* brings the hotel’s gastronomic expertise, events credentials and signature floral artistry directly to private homes and events from January 2025.

With The Dorchester’s new catering service, hosts can enjoy the hotel’s renowned dining experience, whether for intimate gatherings, celebrations or corporate entertainment. Featuring bespoke menus designed by award-winning chefs, the service provides custom dining tailored to any occasion, including themed dinners, bridal & baby showers, cocktail receptions and celebratory afternoon teas. Interested parties are invited to contact The Dorchester’s team to receive a personalised quote for their private event. Requests for events outside of London will also be considered on application.

Martyn Nail, culinary director of The Dorchester, comments: “Our new catering service allows us to create something truly special for each client. Every menu is crafted in direct collaboration with the host, ensuring it

reflects their unique vision and preferences. It's an exciting way to bring The Dorchester's renowned dining experience beyond the hotel, offering guests bespoke culinary creations tailored specifically to their occasion."

For those seeking a beverage option, Vesper Bar packages can also be included, providing expertly bottled cocktails or a dedicated mixologist for events.

In addition to its new catering service, the hotel is expanding its floral artistry through its *Curated by The Dorchester* offering, providing luxury floral arrangements at-home by designer florist Philip Hammond. Clients can now enjoy stunning, bespoke floral creations for their homes or special events, with options ranging from classic arrangements to innovative seasonal designs, all within the signature Dorchester style. Philip and his team also offer full tablescapes design and execution for events, providing personal consultations for the client, as well as a weekly floral arrangement delivery service for homes and businesses in London.

Philip Hammond, The Dorchester's in-house designer florist, comments: "We are thrilled to offer our clients the chance to bring The Dorchester's signature florals into their own homes and events. Each arrangement is a reflection of the timeless style and creativity we are known for, elevating any setting."

Since 1931, The Dorchester has been one of the world's most recognised and acclaimed hotels. Perfectly situated in the heart of London, we are the vibrant hotel that stands tall in Mayfair with one of the world's finest parks on its doorstep. Having hosted the famous, the distinguished and the gifted, The Dorchester has become the address for those who want an exceptional hotel that reflects an unrivalled beau monde.
