## THE DORCHESTER NAMED HOTEL OF THE YEAR

### AA HOSPITALITY AWARDS ANNOUNCES THE DORCHESTER AS HOTEL OF THE YEAR IN LONDON

**London, September 24, 2024** – The Dorchester is delighted to be named ‘Hotel of the Year - London’ at the 2024 AA Hospitality Awards. This recognition cements The Dorchester’s position as a leader in the luxury hospitality sector, an accolade that honours the team’s unwavering commitment to providing exceptional service and unforgettable experiences for guests.

The Dorchester has engaged with the most renowned names in design and architecture to transform the hotel which currently is still unfolding. Pierre-Yves Rochon has redesigned the hotel entrance, The Promenade, new Cake & Flowers boutique, and the guest rooms and suites; and Martin Brudnizki Design Studio has been appointed to redesign the bar; Vesper Bar.

With decades spent fine-tuning a tradition of placing guests at the centre of everything, The Dorchester has found a way to be true to its celebrated past whilst becoming fluent in what matters in an ever-changing world. By cultivating and encouraging sophistication without snobbery, style without excess, and curiosity without judgement, this remarkable hotel embraces its next chapter as the London home from home for those who make the world turn.

Luca Virgilio, General Manager of The Dorchester, said: “We are incredibly proud of this wonderful achievement. This is a testament to the passion and hard work of every team member at the hotel. This truly is an exciting time for us as we enter a new era at The Dorchester.”
