The beautiful city of wide, tree-lined boulevards, fascinating street life and breathtaking architecture. A place for love, for the arts, for fine food and fashion all celebrated within a seductive blend of proud history and contemporary culture.

## SIGHTSEEING

### EIFFEL TOWER

Built for the 1889 Exposition Universelle to commemorate the centennial of the Revolution, the 'Tour Eiffel' was the world's tallest structure until 1930.

### RIVER SEINE

The lifeblood of this timeless city, a stroll along the Seine is a quintessential Parisian experience. Guests can also enjoy a two-hour private boat cruise.

### PALAIS-ROYAL GARDEN

The Palais-Royal garden is a peaceful square in the heart of the city, built in 1633 and today recognised as a 'Jardins Remarquables' ('remarkable garden'). Don't miss the large inner courtyard which features a controversial art installation added in 1986 – 260 black and white striped octagonal columns.

### PLACE DE LA CONCORDE

Built during the 18<sup>th</sup> century, Place de la Concorde is the largest public square in Paris and features an Egyptian obelisk, which is over 3,000 years old.

Described as 'the most beautiful avenue in the world', this famous boulevard is lined with theatres, cafés and shops, stretching from Place de la Concorde to the famous Arc de Triomphe.

### TUILERIES GARDEN

Designed in the 17<sup>th</sup> century as a royal garden, this is the oldest and most important formal garden in Paris. Separating the Louvre and the Place de la Concorde, visitors can enjoy the tranquil atmosphere and admire statues by Maillol, Rodin and Giacometti.

## ART & CULTURE

### THE LOUVRE

The Louvre dates back to the 12<sup>th</sup> century and attracts around 9m visitors every year. It is noted for its modern glass pyramid entrance and world-famous artwork, including the Mona Lisa.

Opened in 1986, after the renovation of the former Gare d'Orsay railway station, the Musée d'Orsay houses the world's largest collection of Impressionist and Post-Impressionist art.

### BOURSE DE COMMERCE

Pritzker Prize-winning architect Tadao Ando has transformed this former stock exchange into a museum for the Pinault Collection, housing over 10,000 works from the 1960s to the present. Discover Modernist masterpieces and works by leading contemporary artists.
