

The background is a complex marbled paper pattern. It features a mix of light blue, pale green, and off-white tones, with darker, more saturated areas of teal and brown. The pattern is organic and fluid, with swirling, vein-like structures that create a sense of movement and depth. The overall effect is reminiscent of natural stone or watercolor washes.

THE EDEN SPA

RESTORE A SENSE OF HARMONY TO YOUR BODY, MIND AND SOUL

VALMONT

Created in Switzerland in 1985, Valmont is known for its scientifically advanced skincare products and treatments, drawn from Switzerland's unspoiled natural resources and the latest cellular cosmetic research findings.

AURASENS

Aurasens proprietary technology powers transcendent audio-haptic experiences, heightening your senses by turning sound waves into vibrations. Expect an immersive wellness experience that's a much-needed getaway from the stresses of daily life.

HÖBEPERGH

A new combination of cosmetics, inspired by the rhythms of nature – especially the unique environment of the Asiago Plateau in Italy, where over 1,000 wild herbs grow naturally and are harvested in harmony with their balsamic times (when their active ingredients are at their peak concentration) and lunar cycles. Research and innovation harmonise with a unique vision of effective sustainability.
